Dear Editor,

Please see below for my disclosures for the paper “There Is No Free House: Ethnic Patronage in a Kenyan Slum”, which is being submitted to *AEJ Applied* for possible publication.

MIT Sloan discretionary research support funds were the only financial sources of support for this research.

I have not received any grants or financial support from interested organizations in the past three years that are relevant to this paper. And I do not hold any positions as officer, director or board member.

No party had the right to review the paper prior to its circulation.

IRB approval for all data collection was obtained from MIT IRB.

Please do not hesitate to contact me should you require any further information.

Regards,

Thomas M. Stoker
