Policy Evolution under the Clean Air Act

Richard Schmalensee

I received no financial support in connection with preparation of this article, and I have received no significant financial support in the past three years from any entity with any sort of stake related to this article. I am Board Chair Emeritus (unpaid) at Resources for the Future, a non-profit organization that does work on environmental policy. Nobody but my co-author had the right to review this paper prior to its circulation.
