

American Economic Journals Disclosure Statement

Date: November 14, 2018

Author Name: Yue Li

Manuscript Title: “Who Is Screened Out? Application Costs and the Targeting of Disability Programs”

Disclosure Statement:

1. This research was supported by the U.S. Social Security Administration through grant #1 DRC12000002-05 to the National Bureau of Economic Research as part of the SSA Disability Research Consortium.
2. I received funding from the Social Security Administration (SSA) through a Disability Research Consortium grant to the National Bureau of Economic Research.
3. I received no other significant financial support from an interested party.
4. I do not have any paid or unpaid positions to report.
5. I have nothing to disclose for close relatives or partners.
6. The Social Security Administration requires that all manuscripts using confidential SSA data be reviewed for disclosure avoidance. SSA reviewed this paper per this requirement.

The University of Chicago Institutional Review Board reviewed and approved this project.
