

For article: "Reported Effects vs. Revealed-Preference Estimates: Evidence from the Propensity to Spend Tax Rebates," submitted to the AER: Insights, December 2018

I have no relevant or material financial interests that relate to the research described in this paper. This paper has not been published in any form in a peer-reviewed journal and is not currently under review at any other journal. The paper is available as a working paper in several series.

A handwritten signature in black ink, appearing to be 'JP' or 'J. Parker', written in a cursive style.

Jonathan A. Parker
