Date: 5/22/2019

Author Name: Stephanie Cellini

Manuscript Title: Where Do Students Go When For-Profit Colleges Lose Federal Aid?

Disclosure Statement:

Stephanie Cellini received financial support from the Association for Institutional Research for this research. Over the past three years, other research on for-profit colleges has been funded by the Smith Richardson Foundation and the George Washington Institute of Public Policy. Dr. Cellini has consulted for a law firm representing a for-profit institution (nondisclosure agreement in place), a law firm representing individual claimants opposing a for-profit institution (nondisclosure agreement in place), and for a state attorney general's office opposing a for-profit institution.
