Full name: (Corresponding author) Richard W. Evans, University of Chicago, 1155 E. 60th St., Room 217, Chicago, IL 60637, rwevans@uchicago.edu.

Session title: "Is United States Deficit Policy Playing with Fire?"

Statement:

I, Richard W. Evans, have received no financial support for this research other than my academic employment at the University of Chicago. I am the President of Open Research Group, Inc., which provides training and support to governments and universities trying to establish open source projects and workflows. But that role has no intersection with this research.
