Title- Prestige Matters: Wage Premium and Value Addition in Elite Colleges

In order to obtain the datasets that will be required to replicate the results, please email ssekhri@virginia.edu. You will be required to sign a non-disclosure agreement and show evidence of human subject ethics training. On completing these steps, you can be provided access to the datasets.

You will need the following .dta files to run the code that generate the Main as well as Appendix Figures and Tables

1. mainsample.dta
2. sample_surveymodulesBFNO.dta
3. surveysuccess15.dta
4. surveysuccess.dta
5. surveydata_mainmodules.dta
6. leesbounds_sample.dta

The STATA do file is : code_paper_results

It is annotated to describe the code corresponding to every Table and Figure
