Disclosure statement for Gary Biglaiser: “The value of incumbency when platforms face heterogeneous customers”

I was supported in part by the Agence Nationale de la Recherche Scientifique under grant ANR-10-BLAN-1802-01, of the Jean-Jacques Laffont Digital Chair at the Toulouse School of Economics as well as of the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme (grant agreement No 670494). There was no IRB approval needed since we did not deal with human subjects.
