

Title: Seasonal liquidity, rural labor markets and agricultural production
Author: Felix Masiye

The project received funding from the Growth and Labor Markets in Low Income Countries (GLM-LIC), the International Growth Centre, the Agricultural Technology Adoption Initiative (JPAL/CEGA) and an anonymous donor.

IRB approval for the project was obtained from the University of Zambia and the Harvard School of Public Health.

The author declares that he has no relevant or material financial interests that relate to the research described in this paper.
