

Regulating Banks vs. Managing Liquidity:
Jeremy Bentham and Henry Thornton in 1802¹

John Berdell and Thomas Mondschean

DePaul University

I John Berdell do attest that

1. I have drawn financial support for this work solely from DePaul University which supported my research with a paid research leave in 2018-19.
2. I have drawn no financial support from interested parties for this work.
3. I have served as a member at large on the History of Economics Society board.
4. I understand that the disclosures required apply to my close relatives and have no further disclosures.
5. No party other than the authors and the JEP had a right to review the work.

¹ We thank David Laidler, Ivo Maes , Joe Persky, Tim Opiela and participants of the 2012 and 2014 HES conferences for helpful criticism.
