Re: "The Sensitivity of Housing Demand to Financing Conditions: Evidence from a Survey"

I declare that I have no relevant or material financial interests that relate to the research described in this paper.

The data used in this paper were collected as part of the Federal Reserve Bank of New York's Survey of Consumer Expectations. The survey is conducted over the internet by Nielsen. Since the Bank does not have an IRB, the survey instrument and data collection were approved by Nielsen.

Sincerely,

Andreas Fuster
