

Title: Ownership and Trust in Banks: Evidence from the First Bank in an American Indian Nation

Disclosure Statement – Donna Feir:

The research team received ethics approval from both the University of Texas at Austin and the local tribal college. We also received clearance from the Federal Reserve System Board of Governors that our research design and distribution of results met ethical and legal standards. We received approval from Nation A's tribal government, which itself required approval from their research ethics regulatory commission. Nation A's identity is confidential (as requested by Nation A) and thus the identity of Nation B and Bank [X].

This research was funded by the University of Texas at Austin, Bank [X], and the Center for Indian Country Development.

I was am currently a research fellow at the Center for Indian Country Development at the Federal Reserve Bank of Minneapolis and was a research economist there when the project began.

I have no conflicts of interest to disclose.
