Disclosure Statement, JEP

“Fragile Algorithms and Fallible Decision-Makers: Lessons from the Justice System”

The research center that I direct, the University of Chicago Crime Lab, received \$365,000 from the non-profit Criminal Justice Agency together with access to administrative criminal justice data to help build the algorithm to inform judicial pre-trial release decisions in New York City that is discussed in the paper.

Sincerely,

Jens Ludwig
Edwin A. and Betty L. Bergman Distinguished Service Professor, University of Chicago
Pritzker Director, University of Chicago Crime Lab
