Editor
American Economic Journal: Applied Economics

Dear Editor:

The author (Bilge Erten) declares that she has no relevant or material financial interests that relate to the research described in this paper, “Mental Health Costs of Lockdowns: Evidence from Age-specific Curfews in Turkey.”

This study was approved by the Northeastern University (IRB 20-05-12).

Sincerely,

A handwritten signature in dark ink, appearing to read 'B. Erten', with a stylized, cursive script.

Bilge Erten
