DISCLOSURE STATEMENT: TIMO BOPPART

MANUSCRIPT: "A THEORY OF STRUCTURAL CHANGE THAT CAN FIT THE DATA"

I declare that when writing this manuscript I have received financing from Stockholm University and University of St. Gallen (in the form of a regular academic salary). Stockholm University and University of St. Gallen have no stake in this research and cannot be considered "interested parties".

I neither hold nor have I held any paid or unpaid position in any relevant organization, i.e., one whose policy positions, goals, or financial interests relate to the manuscript.

No party has had the right to review this paper prior to its circulation.

Finally, this disclosure statement applies to my partner and all close relatives. None of them have any conflict of interest with respect to this manuscript. The paper does not involve the collection of any data on human subjects (so no IRB statement is relevant).

Timo Boppart
