### **Disclosure Statement**

I declare that I have no relevant or material financial interests that relate to the research described in the manuscript, “Robustness of Rank Independence in Risky Choice,” which has been submitted to the *American Economic Review Papers & Proceedings*. There were no external sources of funding for this project.

Sincerely,

A handwritten signature in black ink that reads "Rebecca Royer". The script is cursive and fluid, with the first name and last name clearly distinguishable.

Rebecca Royer

PhD Student in Economics

University of California, San Diego
