

Disclosure Statement

Authorship Responsibility: I have read the submitted manuscript titled “Acquisition, aggregation, and sharing of information in sequential-move aggregative games” that includes my name as an author and vouch for its accuracy. I certify that I have participated sufficiently in the conception and design of this work as well as the writing of the manuscript, to take public responsibility for its content. I believe the manuscript represents honest and valid work. To the best of my knowledge, it contains no misrepresentations. I have reviewed the final version of the submitted manuscript and approve it for publication.

Prior or Duplicate Publication: I warrant that the manuscript is original and its essential substance, tables, or figures have not been previously published in part or in whole. The manuscript or one with substantially similar content under my authorship or the data within it has not been accepted for publication elsewhere and it is not presently under review by any other publisher. The manuscript will not be submitted for publication elsewhere until a decision has been made on its acceptability for publication in the American Economic Journal-Micro.

I certify that no party having a direct interest in the results of the research supporting this article has or will confer a benefit on me or on any organization with which I am associated. I certify that I did not receive any financial support for this article.
