To Whom It May Concern:

I hereby declare that I have no relevant or material financial interests that relate to the research described in this paper, "Reaping the Informational Surplus in Bayesian Persuasion." No IRB approval was obtained for the project, as it is theoretical. My work was funded in by the joint United States-Israel Binational Science Foundation and National Science Foundation grant 2016734, German-Israel Foundation grant I-1419-118.4/2017, Israel Ministry of Science and Technology grant 19400214, Technion VPR grants, and the Bernard M. Gordon Center for Systems Engineering at the Technion

Sincerely,
Rann Smorodinsky
