

Disclosure Statement for the article

Revealing Stereotypes: Evidence from Immigrants in Schools

For the research described in the submitted manuscript, I have not received any financial support.

The first experiment of the study was approved by the Ethics Committee of Bocconi University (Declaration on September 14, 2016). The second experiment of the study was approved by the Ethics Committee of Bocconi University (Declaration on September 4, 2020) and by the Institutional Review Board (IRB) of the Harvard University (Declaration on July 21, 2020 - IRB20-0947).

I have not received any financial support in the form of consultant fees, retainers, grants and the like from any interested party, where an “interested” party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.

I do not hold and have not held any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities. A “relevant” organization is one whose policy positions, goals, or financial interests relate to the article.

The above disclosures also apply to any close relative or partner of mine.

No other party had the right to review the paper prior to its circulation.

Paolo Pinotti

A handwritten signature in black ink, appearing to read 'Paolo Pinotti', with a stylized, cursive script.
