

American Economic Review Disclosure Statement

All sources of funding that supported the research “The Curse of Plenty: The Green Revolution and the Rise in Chronic Disease” are disclosed in the manuscript. Sekhri declares that she has no relevant material financial interests that relate to the research described in this paper.

IRB approval was not obtained for this project because it is not considered human subjects research.

Sincerely,

A handwritten signature in cursive script that reads "Sheetal".

Sheetal Sekhri
Associate Professor
Department of Economics
University of Virginia
