DIVISION OF
RESEARCH AND STATISTICS

January 23, 2024

To the Editors,

This disclosure statement is intended to accompany the conditionally accepted manuscript AEJApp-2021-0618, "Smart Thermostats, Automation, and Time-Varying Pricing," jointly authored with Karen Palmer, Casey Wichman, and Derek Wietelman.

No financial support was provided to me by Ecobee or other institutions for this research. I do not have any relevant or material financial interests that relate to the research described in this paper. The project received funding from Alfred P. Sloan Foundation, but I did not receive any of the support.

I do not have any conflicting interests, financial or otherwise, related to this research.

I am not an officer, director, or board member of any non-profit organizations or profit-making entities relevant to this article, nor are any of my close relatives.

As part of our data-sharing agreement, a version of our manuscript was shared with Ecobee prior to submission as a courtesy.

Thank you,

A handwritten signature in black ink, appearing to read "Joshua Blonz", is written over a horizontal line.
