

Agglomeration Spillovers from Native Nations: Evidence from Casino Reopenings

Disclosure Statement

Matthew T. Gregg

I have no relevant or material financial interests that relate to the research described in the paper “Agglomeration Spillovers from Native Nations: Evidence from Casino Reopenings.” Furthermore, I do not hold any paid or unpaid positions as officer, director, or board member of a relevant non-profit organizations or profit-making entity. Finally, no other party had the right to require changes to the paper prior to its circulation.
