24th September 2023

To: American Economic Review
From: Susan Godlonton

Disclosure statement for “Diffusion of Reproductive Health Behavior through International Migration: Effects on Origin-Country Fertility”

The project was primarily funded by the Research and Empirical Analysis on Labor Migration Group (REALM).

Neither I, nor a close relative or partner, have received significant financial support from an interested party in the last three years. Neither I, nor a close relative or partner, have held a position with a relevant organization. No other party had the right to review this paper prior to its circulation. IRB exemption approval was obtained from Williams College IRB.

Sincerely,

Susan Godlonton
