

Corrigendum to: Fleckinger, Pierre, David Martimort, and Nicolas Roux.  
2024. "Should They Compete or Should They Cooperate? The View of  
Agency Theory." *Journal of Economic Literature* 62 (4): 1589–1646

February 18, 2026

By Pierre Fleckinger, David Martimort, and Nicolas Roux

In our recent review article, we omitted a key reference in Section 7.1 ("Career Concerns on the Labor Market"). Right after Proposition 16, the following sentence should be added:

The result in Proposition 16 echoes similar points made by Meyer and Vickers (1997) in an environment that entails risk aversion and normal distributions of shocks and tastes.

Meyer, Margaret A. and John Vickers. 1997. "Performance Comparisons and Dynamic Incentives." *Journal of Political Economy* 105 (3): 547–81.
