

### **AER Disclosure Statement for Brent Neiman**

I received research support from the Neubauer Family Foundation and the Charles E. Merrill Faculty Research Fund at the University of Chicago Booth School of Business, from the Alfred P. Sloan Foundation, and from an NSF grant (awarded together with Gita Gopinath), some share of which were used for this project. Additional funding came as part of the standard research budget offered to professors at the University of Chicago.

Neither my family nor I have any financial interest related to the content of the article, nor do we have any positions with organizations for which the article's content is relevant.

Neither my wife nor I have any paid or unpaid positions as officer, director, or board member with any relevant organization.

No other parties had the right to review the paper prior to its circulation.
