

Jonathan Ketcham Disclosure Statement: I no relevant or material financial interests that relate to the research described in this paper. The research in this paper was approved by Arizona State University's IRB.

Christopher Powers Disclosure Statement: I have no relevant or material financial interests that relate to the research described in this paper. I am an employee of the Centers for Medicare and Medicaid Services (CMS). As a condition of my coauthorship, CMS has the right to review the article prior to publication to ensure compliance with standard CMS terminology (e.g., using the term "gap" instead of "donut hole", or "individuals" instead of "elders".) If CMS requires any changes that are not feasible or desired by the other authors, the outcome will be the removal of me as a coauthor and will not affect the article otherwise.
