Article: Short-term impacts of a pay-it-forward livestock transfer and training program in Nepal

The USAID Feed the Future BASIS Assets and Market Access Innovation Lab provided funding for this project. I have personally received no financial or in-kind support from an interested party. I do not have a paid or unpaid position with Heifer International or other relevant organization (and I do not have a close relative or partner affiliated with a relevant organization). No party had the right to review the paper prior to its circulation. The University of Georgia Institutional Review Board granted approval for this project.
